All,

The National Police Service has warned that there is credible intelligence suggesting that there is Alshabaab terror gang planning to carry out terror attacks in the country during the holy month of Ramadhan, although their capability has been greatly down graded by security agencies overtime. The Police Service has however reassured the citizenry that Security agencies continue to remain on high alert during this period to thwart any attempts.

You are hereby urged to remain on high alert and extra vigilant especially in populated areas including hotels, bus stages, schools, churches and medical facilities. You are requested to be vigilant and urged to report any suspicious individuals or luggage through the Police hotlines 999/112 or the UoN Security Control room on 0717035268/0770031338/0204913149 or 0203318262. Such information will be treated with utmost confidentiality.

We reiterate our commitment to provide a safe and secure environment for the University community.
