

SECURITY ALERT: BE ON THE LOOKOUT

Your attention is drawn to a recently published security related report in the Sunday Nation of January 21, 2018 outlining emerging crime trends in Nairobi city.

The report highlighted criminal gangs currently operating in the city and targeting people leaving ATM's, Forex Bureaus, Mpesa shops and even pedestrians going about their business. In addition, the gangs also use motorcycles and snatch handbags and mobile phones from pedestrians in the CBD.

You are hereby advised to be on the lookout and be conscious of persons around you while in the city. You are also encouraged to report any suspicious characters and / or incidents via the Police hotline 999 or 112.
